

## **Diversity**

### **Minutes/Report:**

**DATE:** June 23, 2008 - Retreat Meeting

**LOCATION:** Wintergreen, VA

**ATTENDEES:** Brenda Burke and Hope Jackson

**GUEST(S):**

**MINUTES STATUS:**

Share a few concerns the committee discussed after the May 2008 conference - primarily activities lightly supported during conference(w/exception of Tony Brown).

- Thought perhaps a committee name change would help since Diversity seems to have a less than positive connotation.

- May contemplate a different focus, namely emphasizing our commonalities esp in view of VASFAA's focus of REbuilding our foundations

**NEXT MEETING:** July 10, 2008
